StableBCH

Crypto backed Stable SLP Token

USE CASES FOR StableBCH

- **StableBCH** is a Crypto backed Stable SLP token, created under Bitcoin Cash Blockchain
- 1 BCH is equal to 100 million **StableBCH** (the same as BCH Satoshis)
- Parking 1 BitcoinCash doesn't gain any profit. Utilise the price movements to gain some profit.
- When BCH is at \$500, buy 10 million **StableBCH** for 0.1BCH, equal to \$50. When BCH price rises to \$700, sell 10 million **StableBCH** for the same 0.1BCH, equals to \$70. Same like BCH trading.

- Buy/Sell at Gannium Telegram group (@ganniumtokengroup) by using ccTip Bot and MintBot, without any charges. After getting experience, StableBCH will be listed on memo.cash and other exchanges.
- Buy from and Sell to other holders, or StableBCH promoter
- Each minting will be backed by real BCH, to stabilize the price.
